

# 9<sup>th</sup> NIGERIA ENERGY FORUM

## CALL FOR POSTERS

### Introduction

The 9<sup>th</sup> Nigeria Energy Forum (NEF 2024) is a strategic training and development programme for researchers, industry leaders, experts and innovators to engage with key stakeholders in the energy sector, initiate new research collaborations, promote innovative technologies and disseminate high quality research outcomes for sustainable energy development in Nigeria and Africa. NEF 2024 offers a premium opportunity to showcase relevant research/innovation/sustainable energy project(s) and network with over 400 delegates across the national and international energy community (please visit: [www.thenef.org](http://www.thenef.org)).

### Themes

Topics of interest include, but are not restricted to:

- Renewable Energy Technologies
- Energy Storage Systems
- Energy Access and Efficiency
- Gas, Hydrogen & Electricity Markets
- Electrified Transport & Aerial Vehicles
- Power Generation & Transmission
- Community Energy Projects & Innovation
- Industry-based Clean Energy Projects
- Energy and Climate Change
- Digital Payment & Smart Metering
- AI, Big Data & Energy Optimization

### Special Session on Energy Solutions for Production

Case studies of interests are real projects that:

- Provide affordable alternative energy solutions for commercial, industrial, agribusiness & export development uses.
- Apply innovations in modern technologies, Solar systems, Power to X, hydrogen gas and energy from waste systems; battery systems.
- Demonstrate the value of home-grown high-efficiency energy solutions and benefits of energy management systems.

### Poster Submission Guidelines

You are invited to submit a **completed poster** as it would be displayed if selected. The poster must be related to the conference topics of interests and special sessions. The poster template can be downloaded at [www.thenef.org/poster2024](http://www.thenef.org/poster2024). Only electronic submission of your poster manuscript will be accepted. Please e-mail your submissions in **PDF format** to: [info@thenef.org](mailto:info@thenef.org); and copy to: [no-reply@thenef.org](mailto:no-reply@thenef.org)

**Authors/co-authors of accepted posters are to register and present their posters at the NEF 2024.** Titles of accepted posters will be published in the NEF 2024 conference proceedings. Each presenting author/co-author, fully registered for the NEF2024 will receive a copy. Accepted posters will be indexed on conference website. A single author/co-author registration is valid for presentation of one (1) accepted poster only at NEF2024.

### Key Dates

- **May 25, 2024** – Poster Submissions
- **June 1, 2024** – Author Notification with comments
- **June 6, 2024** – Final Copy Due
- **June 7, 2024** – Early Registration Deadline
- **July 9, 2024** – **Poster Presentation from 8.30am**

### Registration

All participants MUST register via the official conference website at [www.thenef.org/register](http://www.thenef.org/register). Please see registration fees shown below. Payments can be made by direct bank transfer to either:

- Guaranty Trust Bank account – Name: New Energy Frontiers (NEF) LTD/GTE; Number: 0697518573; OR
- Secured payment by card on the official website: [www.thenef.org/register](http://www.thenef.org/register)
- **Discounted Registration deadline is 7<sup>th</sup> June 2024.**

### Energy Research, Innovation & Poster Exhibition

The Energy Research, Innovation & Poster Exhibition at NEF 2024 will be formally opened from **8.30am on Tuesday 9<sup>th</sup> July 2023 at Marcellina Conference Centre, Along Radisson Hotel, Ikeja GRA, Lagos, Nigeria.** To find out about the sponsorship or exhibition opportunities, please contact NEF Director of Innovation & Strategy - Bamise on +2347011417304 or email: [info@thenef.org](mailto:info@thenef.org).

## DELEGATE REGISTRATION

International: ₦ 200,000

Local: ₦ 35,000

Student: ₦ 15,000
