Introduction

“Innovation distinguishes between a leader and a follower.” — *Steve Jobs*

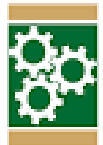

Maximizing Nigerian Content for Industrialization and Economic Growth

- **Nigerian Content** refers to the quantum of local goods and services utilized in the oil and gas industry, as well as other sectors, to promote economic development and industrialization
- It is not a policy—it is a national strategy.
- A strategy for building industries, creating jobs, retaining value, and securing our economic sovereignty.

Technology and Innovation Empowerment

NCDMB Hackathon

NCDMB Technology, Innovation & Incubation Centre

Policy Alignment and National Vision

The “**Nigeria First Policy**” is not just a procurement adjustment. It is about restoring dignity to Nigerian Enterprises, unlocking local capacities, and building an economy that is resilient, inclusive, and sustainable.

Procurement Reforms

- Prioritizing Local Content
- Revised Procurement Guidelines
- Audit & Revision of Procurement Plans

Compliance & Enforcement

- Local Content Compliance Framework
- Sanctions for Non-Compliance
- No Foreign Procurement without Justification

Capacity Building

- Technology Transfer & Skill Development
- Grow the Register of Local Suppliers

National Values

- Promoting National Pride & Self Belief
- Government Led Initiative

Source: Segun Dada, Special Assistant to the President

Call to Action

“Industrialization is not a gift—it is a goal and Nigerian Content is the path to that goal.”

Closing

"The best way to predict
the future is to create it."
— *Peter Drucker*

Nigerian Content Tower
Yenagoa, Bayelsa State
