Industry Sector

KEY RECOMMENDATIONS

Energy transition minerals value addition, investments & industrial policy must be aligned at all levels to accelerate sustainable development.

Clean energy innovations from tertiary institutions must be incubated & accelerated for inspiring youths & fostering workforce development.

Community-based climate actions supported by international partners must be promoted & upscaled to foster replication & global impact.

Catalytic investments must be mobilized for innovations in circular economy, clean energy & climate change mitigation for people & planet.

UPSCALING ENERGY INNOVATIONS IN TERTIARY INSTITUTIONS

3rd TERTIARY INSTITUTIONS STUDENT ENERGY CHALLENGE (TIEC 3.0)

Final Call
The Tertiary Institution Energy Challenge (TIEC) 3.0 has seen exciting interest with

90+ Pitch Decks **400+** Students

35+ Institutions

Win a share of

#4.5 million Prize grants

Gain exposure, and pitch your ideas live at the 10th Nigeria Energy Forum (NEF) in Lagos.

Pitch Deck Submission

~~May 7, 2025~~

Now: May 17th, 2025

* All travel costs for shortlisted teams will be fully covered.

Apply now

www.thenef.org/tiec2025

*Open only to tertiary institutions students in Nigeria alone.

10th Nigeria Energy Forum 2025

3rd TERTIARY INSTITUTIONS STUDENT ENERGY CHALLENGE (TIEC 3.0)

TIEC 3.0 WINNERS ANNOUNCED!

Grand Prize

N2,000,000.00

Winner: Green Preserve

Led by Febechi Desmond Uzomadike
100-Level Mechanical Engineering Student
University of Cross River State

+ ₦500,000 Public Choice Award Winner
• Over 50,000 votes in 10 days!

Runner up

N1,500,000.00

Winner: AI Hybrid Agri Dryer

University of Lagos

2nd Runner Up

N1,000,000.00

Winner: Keytric

University of Port Harcourt

Most Promising Energy Innovation Awards

N500,000.00 (each)

Winner: Keytric & AI Hybrid Agri Dryer

NEXT STOP: NEF 2025 DAY 2

The Most Outstanding TIEC 3.0 Projects will be invited to showcase their progress on Day 2 of NEF 2025 – Virtual Event | November 20
